District of Delaware

Re: Dyson Technology Limited v. Maytag Corp., C.A. No. 05-434 (GMS)

Dear Judge Sleet:

On behalf of all parties, I write concerning the voir dire provided by the Court on Friday, May 25, 2007. Upon review of the voir dire, the parties consulted and determined that several questions applied only to the advertising case. In light of the Court's trial management ruling, the parties believe those questions may be omitted for the patent trial.

The parties accordingly enclose a revised form of voir dire for the Court's consideration. The revision omits those questions which appear to apply primarily to the advertising case; the revision also corrects a few minor typographical errors. We have enclosed a redline version that specifically identifies all proposed revisions.

Respectfully submitted,

John W. Shaw (No. 3362)

cc: Clerk of the Court (by electronic filing)
